STARR CANCER CONSORTIUM

BROAD INSTITUTE • Cold Spring Harbor Laboratory • Memorial Sloan Kettering Cancer Center • The Rockefeller University • Weill Cornell Medicine

Retreat

Cold Spring Harbor Laboratory, May 16-17, 2022

Platform Presentation Instructions

25-minute slot: a 20-minute talk and 5 minutes for questions

Design your presentation to include: title, project outline, and acknowledgements, as per layout on the following page and provided in the SCC presentation PowerPoint template.

Please note the following:

- *Present the scientific progress made in the SCC-funded project, i.e. the latest data/findings*

- *The talk must include work from the PI and co-PI laboratories*

- *The PI or one of the co-PIs should speak*

- *Presentations should **not** be a repeat of the grant proposal*

Abstract:

An abstract of the presentation will be included in the retreat meeting book.

You must use the SCC abstract template (available at https://www.starrcancer.org/annual-retreat)

Abstracts must be sent to: SCC@mskcc.org by **April 7, 2022**

Audio-Visual Facilities at CSHL:

The plenary sessions will be held in the 365-seat Grace Auditorium. The audio-visual team is located in the office in the rear of Grace Auditorium and maintains a projection suite of state of the art audio and visual technologies run by both Mac and PC. CSHL asks that presenters download their talks onto the CSHL presentation computers as this saves time and hassle between talks.
